Agentic Capabilities Roadmap

Supplier Challenge

- ▶ Validating new vendor data across systems
- ▶ Managing dozens of buyer portals
- ▶ Identifying and remediating risk continuously
- ▶ Statement reconciliation and audit visibility

Agentic Capability (H2)

- ▶ Aslan Validation Agent: autonomous data checks
 - W-9, certs, insurance etc
- ▶ Portal Connector Agent: SSO across networks
 - Auto-sync profiles across Coupa, Ariba etc via federated identity
- ▶ Risk Remediation Agent: compliance workflows
- ▶ Agents prompt suppliers to upload docs to improve scores

Roadmap Demo
