

How CEMEX Streamlined Global Supplier Management

Claudia Armenta
P2P Global Process Owner, CEMEX

Danny Thompson
CPO, apexanalytix

CEMEX

The CEMEX logo, featuring a stylized red and blue double-slash symbol followed by the word "CEMEX" in a bold, blue, sans-serif font.

CEMEX

A large white concrete mixer truck with a blue and red striped drum, parked in front of a large industrial silo. The silo has the CEMEX logo and the word "CONCRETOS" on it.

Shift the Conversation

Global Service Excellence

Break down the silos.

6 SAP Instances

160k Suppliers

50 countries

CEMEX P2P Global Workshop
100-day plan.

Global Compliance

Every rule re-enforced.

FBI

OFAC

Internal Supplier
Prohibited List

Why CEMEX Chose apexportal

Consolidated supplier path for
6 ERPs

Data Enlightenment

See the bottlenecks.

Improvement requires
data that was previously
unattainable.

Lessons Learned

Senior leadership sponsorship is critical

The target changes so you need to change also

Less is more for every process

Voice of the stakeholder will help guide your priorities
